

Valuable Tips For Driving Results

- Demonstrate clear purpose, enthusiasm, and commitment. Be a role model!
- Show enthusiasm through your commitment and actions.
- Adopt a “can do” attitude and approach challenges from a problem-solving perspective.
- Take on extra responsibilities to help the company meet its objectives.
- Focus on results not just on activities or long hours.
- Work to eliminate the need to seek unnecessary permission or approval.
- Get involved in activities that make you feel excited and passionate.
- Speak with other colleagues about their roles and what it takes to be successful.
- Avoid negative thoughts and increase positive thinking.
- Review progress of your goals and objectives regularly and often.
- Identify the “critical path” and then remove obstacles that get in the way.
- Involve colleagues in setting goals and objectives. Keep them informed of the results good or bad.

Remember, each one of you is an integral part

in the overall success of the company!
